

*Verde*

**Boltaflex Ethos™**

**No Phthalates - No FR - No MR**

# WHO SAYS A TIGER CAN'T CHANGE ITS STRIPES?

## *Introducing Verde*

*Verde*, the first **Boltaflex Ethos™** upholstery pattern, contains no phthalates, fire retardants (FR) or antimicrobials (MR).

With no FR, MR and phthalates, **Boltaflex Ethos** patterns still provide strong performance and a long lifecycle.

*Verde* features a leather appearance in 58 trend-forward colors perfect for office, hospitality or healthcare settings.

Featuring our industry-leading **PreFixx®** Protective Finish, *Verde* offers exceptional stain and chemical resistance for maximum compatibility with a broad range of cleaners and disinfectants.

*Though our upholsteries can be used in many applications, customers are responsible for selecting an upholstery with attributes that meet the requirements of the specific end-use application – not all upholstery is suitable for all applications.*

*Multiple factors affect fabric durability and appearance retention, including end-user application and proper maintenance. Wyzenbeek results above 100,000 double rubs have not been shown to be a reliable indicator of increased fabric lifespan.*
