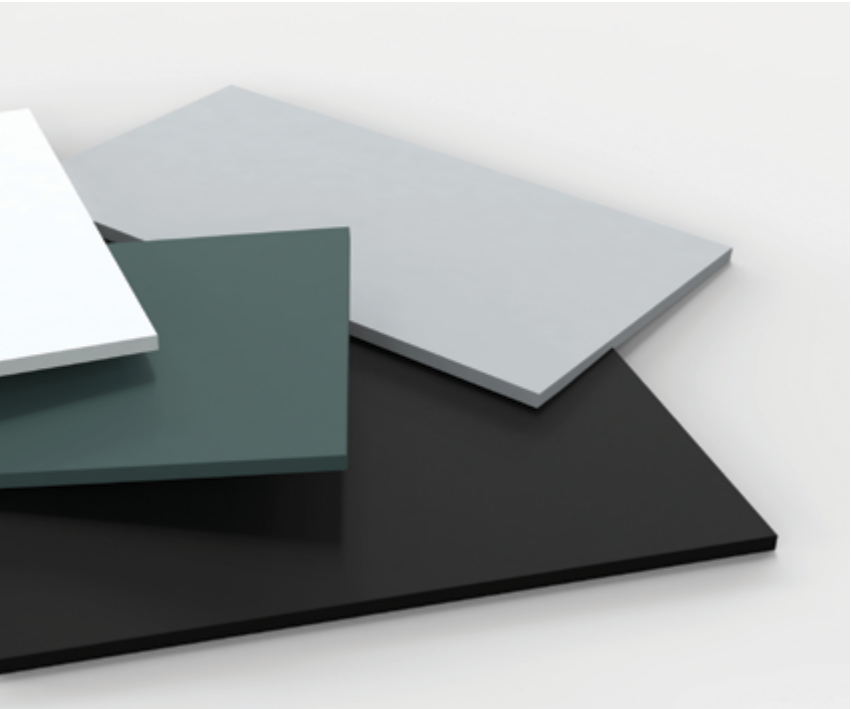
*__Matte Luxe__ Laminates can be repeatedly cleaned and disinfected with many top brand products without suffering discoloration or damage to the finish. For a full list of recommended cleaners and disinfectants, visit **www.omnova.com/LAMChemicalResistance.**

harmony Exclusive™ Program

Matte Luxe is part of our **harmony Exclusive**™ program, which enables fabricators and designers to value engineer components using the same design across multiple constructions for an economical, performance-driven solution. Providing a seamlessly blended finished product, our **harmony Exclusive** program maintains color integrity and eliminates the complexity associated with coordinating products across suppliers. Additionally, OMNOVA has partnered with a premier edgeband supplier to provide matching edgebanding for OMNOVA original **harmony Exclusive** designs.



Design & Construction

Matte Luxe 2D and 3D Laminates are perfect for the fabrication of slab and 5-piece doors as well as panel production, creating style, flexibility and design consistency.

In addition, 3D Laminates can be membrane pressed or vacuum formed, allowing for a seamless design without the use of edgebanding.

Look & Feel

With its elegant super matte aesthetic and luxurious soft-touch texture, **Matte Luxe** laminates offer quality that you must see and feel to believe.

Versatility

With its multitude of colors, **Matte Luxe** laminates offer versatility from a design and durability perspective.

Use them as an accent of color or throughout a home – on cabinet doors & shelves in kitchens, closets, laundry rooms, or mudrooms – for an elevated aesthetic without compromising performance or budget.
