

Copenhagen Taupe is a sliced walnut with straight and cathedral features in light warm gray finish.

As part of the harmony Program (/product-types/laminates/harmony-program), this design is also available in a 3D Laminate construction (/products/laminates/3d-laminates/copenhagen-taupe).

Coating	Yes

## General Product Information

Availability	Made to Order
Minimum Order Qty	65,000 SF
Gardner Gloss Level	10
Product Selection Considerations	Though our laminates can be used in many applications, all laminates are sold with the understanding that customers will make their own independent determination whether a particular laminate has the durability and other performance attributes required for the specific end use laminate application – not all laminates are suitable for all applications.

## Optional Services

Adhesive Options	Hot Melt Adhesive
