|--------|----------|
| Finish | Satin    |
| Width  | 50.5" in |

### Application Information

|                     |   |
|---------------------|---|
| Fabrication Process | <ul style="list-style-type: none"> <li>• Flat Lamination</li> <li>• Profile Wrapped</li> </ul>                      |
| Substrate           | <ul style="list-style-type: none"> <li>• MDF</li> <li>• Particle Board</li> <li>• Luan</li> <li>• Gypsum</li> </ul> |

### Physical Specifications

|                 |                            |
|-----------------|----------------------------|
| Construction    | Paper                      |
| Physical Form   | Rolled Good                |
| Width           | 50.5"                      |
| Gauge or Weight | 45 gram/m2, wrapping grade |
| Coating         | Yes                        |

### General Product Information

|                                  |   |
|----------------------------------|---|
| Availability                     | Made to Order   |
| Minimum Order Qty                | 65,000 SF   |
| Product Selection Considerations | Though our laminates can be used in many applications, all laminates are sold with the understanding that customers will make their own independent determination whether a particular laminate has the durability and other performance attributes required for the specific end use laminate application – not all laminates are suitable for all applications. |

## Optional Services

Adhesive Options

Hot Melt Adhesive

Revision Date: 28-Feb-19
