

Laramie Grey is a calico heartwood with sapwood influence and strong cathedrals in mid grey finish.

This Paper Laminate offers tactile feel and in-line registration of the woodgrain design that you can see and touch, creating the most realistic hardwood look for use on cabinets, trim, doors, furniture, 5-piece cabinet doors, shelves and more.

## Industries & Markets

- Recreational Vehicles

## End-Use Applications

- Interior Surfaces

## Product Specifications

|        |          |
|--------|----------|
| Finish | Satin    |
| Width  | 50.5" in |

## General Product Information

|                                  |   |
|----------------------------------|---|
| Availability                     | Made to Order   |
| Minimum Order Qty                | 65,000 SF   |
| Product Selection Considerations | Though our laminates can be used in many applications, all laminates are sold with the understanding that customers will make their own independent determination whether a particular laminate has the durability and other performance attributes required for the specific end use laminate application – not all laminates are suitable for all applications. |

## Application Information

|                     |  |
|---------------------|--|
| Fabrication Process | <ul style="list-style-type: none"><li>• Flat Lamination</li><li>• Profile Wrapped</li></ul>                    |
| Substrate           | <ul style="list-style-type: none"><li>• MDF</li><li>• Particle Board</li><li>• Luan</li><li>• Gypsum</li></ul> |

## Physical Specifications

|                 |             |
|-----------------|-------------|
| Construction    | Paper       |
| Physical Form   | Rolled Good |
| Width           | 50.5"       |
| Gauge or Weight | 45 gr       |
| Coating         | Yes         |
