

Noble Mineral is a white oak with dense linear grain with subtle cathedrals in white finish.

This Paper Laminate offers tactile feel and in-line registration of the woodgrain design that you can see and touch, creating the most realistic hardwood look for use on cabinets, trim, doors, furniture, 5-piece cabinet doors, shelves and more.

Industries & Markets

- Recreational Vehicles

End-Use Applications

- Interior Surfaces

Product Specifications

| | |
|--------|----------|
| Finish | Satin |
| Width | 50.5" in |

General Product Information

| | |
|----------------------------------|---|
| Availability | Made to Order |
| Minimum Order Qty | 65,000 SF |
| Product Selection Considerations | Though our laminates can be used in many applications, all laminates are sold with the understanding that customers will make their own independent determination whether a particular laminate has the durability and other performance attributes required for the specific end use laminate application – not all laminates are suitable for all applications. |
